Class Requirements

To pass the driver's education class and obtain the certificate of completion, ALL students must attend at least 30 hours of classroom instruction, complete 7 hours of behind-the-wheel driving instruction and must attend 6 hours of DWI training. If any of these requirements are not met, the student WILL NOT pass the class and WILL NOT be issued a certificate of completion.

- The total fee for driver's education is \$370
- \$100 deposit is required at the time of registration with remaining balance due by end of 1st week of class

Fee is for ALL requirements needed to pass driver's education including the driver's permit

Behind-the-Wheel Lessons (BTW) and Extra Fees

Students will be charged a \$20 cancellation fee if the scheduled behind the wheel lesson is canceled within 12 hours of the start of BTW session. The student must have a valid permit with them for each and every time they drive. If the student is unable to present a valid permit at the start of the scheduled drive time, this is cause for the instructor to cancel the lesson and a \$20 cancellation fee will apply. Students who miss their BTW lesson are considered NO SHOWS and will be charged \$20 for the missed BTW appointment. Please be mindful that if student does not show up for their scheduled drive time, the student is taking away drive time and observation from another student in the vehicle. Due to the nature of picking up students for their BTW drive session, a driving instructor may be a few minutes early or a few minutes late. If we deem driving conditions unsafe, we will cancel the scheduled drive time (no charge to you).

BTW sessions usually have two or more teens in the vehicle together. There may be a time when your teen will be alone in the vehicle with an instructor. These times include:

- ✦ When the student is the first student picked up by the instructor for the BTW session and they are on their way to pick up the next student.
- ✦ When a student is the last one dropped off.
- ✦ When there is a late cancellation or a no-show of the partner BTW student. ✦ When the student has scheduled a private BTW session

Attendance & Reschedule Policy:

Classroom instruction consists of 33 hours and all students must attend at least 30 hours of classroom instruction. If students are absent for more than 1 day of class, these hours must be made up, ie. rescheduled in one of our other scheduled classes. If these hours are not rescheduled and attended, then the certificate of completion will not be issued to the student and a refund will not be given. The certificate of completion is required to obtain the provisional license.

Refund Policy:

If you paid in advance for a private behind-the-wheel driving lesson, package classroom with behind-the-wheel session or a court referred driver improvement session for you or the student and wish to cancel, you can receive a full refund as long as you notify us at least one business day in advance of the scheduled lesson or class. You will need to call the office or email a request to cancel. Canceling without notice of at least one business day prior to lesson or session will result in a \$35 fee.

If you or the student needs to withdraw from a package classroom with behind-the-wheel session once started, you will be charged a \$5 registration fee plus \$15 for each classroom session attended and \$45 for each hour of driving the student completed. Please discuss with instructor the reason for withdrawing and then call the office or email a request to cancel.

Keep in mind, if timing is a problem, you can always change the date of the lesson or class session to another date and apply your payment.
